*(eL-Hortobágyi-eL-Horto-Hortator)*

[www.guo.hu](http://www.guo.hu)

### *Indian Classical Sangeet Recordings Collection*

*(including 78.r.p.m. formats)*

*from 1900 - continuously expanding from 1900 – to approx.1990.*

*Collection after 1990 only on the basis of very selective criterias.*

*The list is just a partition path list in ABC format, in which search option by performer name is convenient.*

*Sorry, but for the time being, the original names and expressions are not temporarily published here in their official transliterated versions.*

*(The occasionally appearing (horto) clause only means that the relevant file has been restored by me)*

## **Hindusthāni Gāyak (vocal) Collection**

*the content:*

*Collection after 1990 only on the basis of very selective wannabe members of the traditional gharānā-s, only authoritative guru-shishyā-shagīrd parampara.*
