

László Hortobágyi of Hungisthān
(eL-Hortobágyi-eL-Horto-Hortator)

www.guo.hu

Indian Recordings Label Collection 1903-2023

The list is just a partition path list in ABC format, in which search option by Label name is convenient in the detailed part.

Sorry, but for the time being, the original names of performers and expressions are not temporarily published here in their official transliterated versions.

(The occasionally appearing (horto) clause only means that the relevant file has been restored by me)
